Upward Endeavors requests approval to modify the company’s current rates for household goods moves. The Company presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina pursuant to Order No. 2002-219, issued March 26, 2002, in Docket 2002-25-T.

Upon receipt of Upward Endeavors’ Application, the Commission’s Clerk’s Office instructed the Company to publish a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The Company complied with this instruction and provided the Commission with proofs of publication of the Notice of filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) completed a review of the proposed amended schedule of charges the Company and submitted its findings to the Commission on January 2, 2014. From the comparison report completed by ORS of the rates proposed by Upward Endeavors to the South Carolina Tariff Bureau's rates, it appears that the proposed rates are comparable to the current rates used by the SCTB.

Having considered the Application and the results of the ORS Study, we conclude that the amendments proposed by Upward Endeavors are just and reasonable for its customers and for the Company. Accordingly, the Application of Upward Endeavors, LLC d/b/a Two Men and a Truck of Greenville for amendments to the Company's current schedule of charges is approved as filed.
